

## COUNCIL STATEMENT

### Looking to the Future with Hope and Joy

Lamentations 3:24, "My portion is the Lord, says my soul; therefore will I hope in him."

God has led us through twenty-five years witnessing transformed lives, strengthened marriages, reunited families, and empowered communities. By His grace, we have become a global army that will renew the face of the earth. And in His name and power, we are poised to do even more awesome work ahead.

As we deepen our commitment and conviction for full evangelization of our country and the world, we are grieved by our failings in living out true brotherhood and sisterhood.

As we are a community with a massive reach and vision, there have been conflicts and disagreements causing tension in priorities, focus and intensity.

We in the CFC Council take collective responsibility for the state of our life and mission. Much as we had given our best and all, we recognize our falling short of God's expectations. We repent of these, but the seriousness of our covenant mandates the sufferance of consequences.

As we lead the community to the next twenty-five years, we pray for a renewed outpouring of the Holy Spirit to purify and empower us for the work and the challenges ahead.

Led by the promptings of the Holy Spirit, Lachie Agana, Tony Meloto and Frank Padilla stepped down effective February 13, 2007 as members of the CFC International Council. Frank Padilla will no longer be CFC Director and GK Chair. Tony Meloto will no longer be GK Executive Director. The CFC International Council will continue to function with the remaining four members. Lachie Agana, Tony Meloto and Frank Padilla will continue to serve in whatever capacity the Council asks them to serve.

The CFC International Council continues to be one in heart and mind and fully confident in God's continuous blessings upon this community we all love. We enjoin everyone to support this decision and continue to pray for the leaders that God has chosen for our community.

May God bless us all.

By the CFC Council, done this 20th day of February, 2007.
