

22 February 2007

Dear Brothers and Sisters in Christ,

Peace to all!

In lamentation, but with the hope and joy, we announce that our brothers Frank Padilla, Tony Meloto and Lachie Agana, have stepped down from the CFC Council. This was announced at the Metro Manila Mission Core Teaching Night last Tuesday, 20 February 2007.

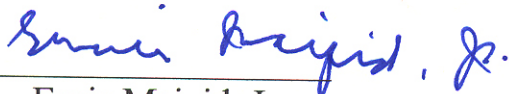

All of us in the Council, after much prayer, discussion and discernment, are of one heart and mind that this decision is best for the community and GK and will propel us stronger forward in unity in the next 25 years.

For a fuller understanding of this major development in our community, we attach the Council Statement titled "Looking to the Future with Hope and Joy" and a video compact disc (VCD) for your use and guidance.

Our brother, Joe Tale has been designated as new CFC Director.

We continue to trust in God's good plans and put our hope in the Lord as we, the remaining four Council Members, move on in fulfillment of the tasks given us.

In the Lord,

Ernie Maipid, Jr.
