To our dear CFC bretheren in the US and Canada,

This is to confirm the designation of Bro. Ricky Cuenca as Country Coordinator of the US. We know he assumes this position during these very challenging times for our community, but anchored on the Lord and with your support, we can look forward to going through these difficulties and coming out stronger in the life and mission of CFC. Please extend to him your love and support.

Bro. Ricky will concurrently continue to be the CFC National Director of Canada.

I will assume the responsibility of Country Coordinator of Canada and Regional Coordinator of North America. I likewise look forward to your love and support as I take on these responsibilities.

We take this occasion to thank Bro. Frank Padilla for the work and service he has given as Country Coordinator of the US, Country Coordinator of Canada, and Regional Director of North America.

The foregoing are effective immediately. Please forward to all concerned.

In the service of our Lord,

**Joe Tale
CFC International Mission Director**
