

COUPLES FOR CHRIST

Families in the Holy Spirit Renewing the Face of the Earth

A LETTER TO ALL CFC MEMBERS FROM THE CFC BOARD OF ELDERS

19 July 2007

Dear Brothers and Sisters:

God's Peace be with you all!

We, the CFC Board of Elders, have been given the mandate to protect the life and mission of our community, Couples for Christ. We are at a crossroad in the life of our community, where we need to uphold and live out our God-given vision that CFC is to be Families in the Holy Spirit Renewing the Face of the Earth. And that our mission is Bringing Glad tidings to the Poor, the very mission of our Lord Jesus Christ.

God so blessed us because of our faithfulness and boldness to enter even uncharted waters in the relentless pursuit of our vision and mission. The Lord has gifted us with our pastoral structure and with anointed leadership. Such structure and anointing continues to nourish us and put order in our organization, ensuring support for our evangelization thrusts and the work with the poor through the 7 Pillars of CFC.

In this crucial time in the life of our community and as we move forward to fulfill the fullness of our vision and mission, the evil one has sown seeds of division and disagreements among some of our top leaders and members, threatening to break our community apart and disrupting God's plan for CFC.

We urge each one of you dear brothers and sisters to uphold the structure of Couples for Christ. Our present CFC Council received its mandate when they were duly and legitimately elected on June 22, 2007 by the Elders Assembly in its regular meeting. We, in the Board of Elders, unanimously stand united behind our CFC Council. We also exhort everyone to support our anointed leaders in the CFC Council as they were chosen to lead us to fulfill the plan of God for our community.

More importantly, let us focus our eyes on the Lord and follow the Lord's teachings as embodied in all of our pastoral formation track. Let us not be misled by what is being circulated through the emails and SMS messages and allow personal conflicts to bring about disunity in the whole CFC global family.

Families in the Holy Spirit Renewing the Face of the Earth

In the meantime, while our CFC Council continues to pursue and reach out to our beloved bishops, we need to stand united as we work together through our difficulties to uphold our life and mission which is under attack.

We further exhort everyone to be with us in praying for our beloved community, Couples for Christ.

God be with us all!

In Christ,

The CFC Board of Elders
