Let us not be deceived nor distracted. We must remain united and unwavering in our hope and conviction to win the world for Christ. Let us fix our eyes on Jesus and faithfully pursue His mission through our service in CFC.

We belong to the majority of CFC members who do the work on the ground, conducting CLPs, working in the various ministries, raising up more missionaries for the Lord's work and together bringing glad tidings to the poor, faithfully following the mission of Jesus. We are united in the mission and fully support the CFC Council as they lead our community.

Together, let us move forward and fulfill the mandate of Couples for Christ.
