

# CELEBRATING OUR CATHOLIC HERITAGE

## ONE PHILIPPINES FOR GOD: A PRAYER RALLY FOR NATION BUILDING • SEPTEMBER 9, 2007

On Sunday, September 9, 2007, we shall witness an historic event in the life of Couples for Christ and in the life of the Catholic charismatic communities in the Philippines. This event, billed as "One Philippines for God: a Prayer Rally for Nation Building," will see the coming together of various Catholic charismatic movements in the country.

Come and witness this rare opportunity to gather as one family under God. It is spearheaded by Couples for Christ and Gawad Kalinga. We will be joined by the Bukas Loob sa Diyos, the Focolare, the Light of Jesus, and the Ang Ligaya ng Panginoon. This is a rare event, an occasion to join hands in seeking the outpouring of the Holy Spirit, united in prayer and in the desire to build not just a nation of believers but of nation builders.

Let us also celebrate our Mother's birthday on September 8. We ask the CFC global family to observe this day as a day of dedication to our Mother. We recommend that all households everywhere in the world hold a Lord's Day on this day, a Saturday. This will be a time for fellowship, for celebration, for expressing our oneness with the global community. This is also an occasion to thank our Lord for protecting all of us and allowing us to go through crisis with our spirits intact, our hearts renewed and our love for Him strengthened. ***This is a time to REJOICE!***

We have much to celebrate. Let's get together and do exactly that!

Let us celebrate our Catholic heritage. Let us lift our prayers to our God and honor our Mother on these two very important days. God bless us all.
